Savings Club

Do you ever reach August and feel like you have to choose between a **family day out** and buying the **school uniform**?

With our **Savings Club**, you don't have to.

Add credit to your account throughout the year and spread the cost of schoolwear. By the time August arrives, your uniform could already be paid for.

You can visit us in store anytime from now to **reserve your primary or secondary school uniform** with a small deposit. After that, you can pay your balance whenever it suits you—either **in store or over the phone**.

Back to school 2026

Due to the success of our appointment system over the last six years, we will continue offering **appointments during May, June, July and early August.**

We're the experts at allowing for growth, and **exchanges can be made at any time** if needed.

Appointments will be available soon and must be booked online.

Appointments will run **until 15th August 2026.**

During the summer you can still **walk in without an appointment**, but please be aware that **wait times may be longer during busy periods.**
